ABOUT

I'm currently an Art Director at Razorish working on creative for INFINITI cars. With a background in photography and film, I love coming up with ideas through conceptual thinking and watching them come to life. I'm looking to expand my portfolio and work with brands that want to create exciting, daring and fun projects. I am hoping to work with like-minded creatives who love to collaborate and create unique projects.

EDUCATION

B.F.A. Advertising and Branding

Savannah College of Art and Design (2016-2020)
Honors: **Magna Cum Laude**
Deans List: **2016-2020**

EXPERIENCE

Razorfish

Junior Art Director (2021 - March 2023)
Art Director (2023 to present)

Freelance Video Editor/Art Director

(March 2021 - June 2021) Medina Communications. Video, graphic and ideation work for company's clients.

Server

(2016-2020) Served at a handful of restaurants throughout college. Fast paced environment. Kept organized multiple orders from tables and ensured great service for guests. Improved restaurant sales by upselling items and multi-tasking. Trained new employees.
